January 17, 2018

SCHEDULING NOTICE

A complaint was filed by **Christopher Lee Johnson** ("the Complainant") on January 17, 2018, against **Duke Energy Carolinas, LLC**.

Docket Number **2018-24-E** has been assigned to this case. **Josh Minges** has been assigned as the Hearing Examiner in this docket. The Hearing Examiner will hear the case and make a recommendation regarding a decision on the case to the full Public Service Commission. The Commission will then issue a final decision, pursuant to S.C. Code Ann. Regs. 103-841 and 103-855.

Please take notice that pursuant to 10 S.C. Code Ann. Regs. 103-817, a hearing will be held before Hearing Examiner **Minges** at **10:30 a.m. on Tuesday, February 27, 2018**, at the Commission's Office located at 101 Executive Center Drive, Suite 100, Columbia, SC 29210. The company's and the Office of Regulatory Staff's direct testimony is due **Tuesday, February 06, 2018**. The Complainant may respond to the company's direct testimony, but must do so in writing by **Tuesday, February 13, 2018**. Failure to comply with the deadlines set out above may result in dismissal of the case or granting of the relief sought against you. The Complainant or other parties in the case (the utility or the Office of Regulatory Staff) may file motions prior to the hearing. Failure of any party to file a response with the Commission with copies being sent to the other parties within ten (10) days of receipt of a pre-hearing motion may result in dismissal of the case or granting of the relief sought against you.

In the alternative, the Complainant may bypass the Hearing Examiner process and have the complaint heard before the entire Commission, if desired. A hearing before the entire Commission will involve longer time frames for the pre-filing of testimony and exhibits and for the assignment of a hearing date, since the Commission hearing schedule has more assigned hearing dates than the hearing examiners. However, should the Complainant in this case desire a hearing before the full Commission, the Complainant must file a written request with the Commission Clerk's Office within seven (7) days of receipt of this notice, with copies of said request being sent to the utility company that is the subject of the complaint and to the Office of Regulatory Staff. Filing of such notice will automatically suspend the hearing date and scheduling deadlines set out above. After receipt of the request, the Clerk's Office will notify all parties of new dates for the pre-filing of testimony and exhibits and for the hearing before the full Commission.

Concise Statement of Facts/Complaint: * (This section must be completed. Attach additional information to this page if necessary.)

2-13-18 to 2-31-18 I've had issues for a long time with Summer and Winter higher overcharges. I've scaled back on Energy and have been cutting off breakers and live basically in the dark due to being held hostage over taxes and the Executive branch's involuntary servitude they are forcing me from there 2014 war on coal agenda and the use of illegal synthetic drugs like cocaine through E prescribing and healthcare with internet technology and my biogenetic healthcare agenda that was burning off Kilowatts. I've been involved in several FBI investigations including special counsels, Bridgegate Chris Christie Scandal that involved my lab diagnostics sent to New Jersey, been there stock market and Energy model that's on disability. The meters here in housing were changed in April of 2017. There is no way I use as much power as billed plus there agenda has caused defects from the use of drugs and those meters are beginning to be manipulated over weather. I stay cold most times and have had numerous over charges. There is National Security involved and the company can manipulate and overcharge.

Relief Requested: * (This section must be completed. Attach additional information to this page if necessary.)

to be treated fair at digital read out offices and returned overcharges for cutting off breakers and light and to be rid of being there stock market model employee. This company knows I've been in the media over Elections about putting me to death. I am in the fourth Circuit Court of appeals and South Carolina Supreme Court for being institutionally imprisoned over race and Exemplar Elections over banking and civil rights agendas. This involves hud and ICE and several other arrests here on the property. I am on disability and since december 2017 they have altered and changed there payment arrangement time periods and having to seek ministries. While entities and business have been trying to put me to death institutionally over health and terrorism. **I GIVE THE PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA PERMISSION TO PUBLISH THIS COMPLAINT AND ITS CONTENTS ON THE COMMISSION'S WEBSITE (dms.psc.sc.gov), AND I UNDERSTAND SUCH INFORMATION MAY BE SUBJECT TO PUBLIC SCRUTINY OR FURTHER RELEASE. ☒ Yes ☐ No
